Dear parents/carers

Voluntary School Contribution

The voluntary school contribution for 2017 will remain at \$50.00 per child. While these payments are voluntary, they enhance the delivery of the educational programs in the school.

The voluntary school contribution can also be donated to our building fund which is tax deductible. In the past, this fund has been used to upgrade our library resources in the form of better storage, re-carpeting high traffic areas in the school, and upgrading the phone and bell system

If you wish to donate to our Building Fund, please mark this clearly on your payment slip ALONG WITH THE FULL NAME THE RECEIPT IS TO BE MADE TO.

Should you have any questions, please don't hesitate to contact the office staff or me on 9520 8134.
