**Rathane 6-8 September 2010**

Dear Parents

It's on again! Our Annual Band Camp to Rathane. The camp is a great time of both personal and musical development for the children. It is a wonderful time together and it is hoped that all band members will be able to attend.

The purpose of the camp is to enhance the children's musicianship and provide opportunities for the development of our performance pieces. These three days will also provide invaluable preparation time for upcoming concerts and all members' participation is very important.
