

The Day When Everyone Left

by Charlie *Dodd's*

Once upon a time a magic man appeared out of nowhere and a kid walked up to him and said who are you. He said I am the magic man and he tuned his wand left and then right and zap he disappeared bye bye said the magic man. and his mum and dad came up to him and said we are calling the police and then he said o know you're not zap then with a maniacal laughter he disappeared. The next day it happened again and again until one person said stop "I am magic as well so I can tell what you will do next" "ha ha" said the magic man said and he shot, him he blocked it. Bam qwzap bam qwzap bam qwzap they fought all day and with not much power he killed. The magic man everyone came back and they all congratulated him
