

This is a letter written to Mr Royston from Josh Smith of 4/5B

Mr Garry Royston
EWPS
Buckle Avenue
Engadine NSW 2233

Dear Mr Royston

I strongly believe that EWPS needs to introduce play equipment to the back grass. No child should grow up not playing on play equipment. Obesity is rising and has been since about when play equipment left the school.

I strongly believe that every child should have play equipment. No child should be allowed to miss out on play equipment just because it is a little dangerous.

I hope that you agree with me about putting play equipment back on the back grass.

From Josh Smith
4/5B EWPS
