

Great Maths games

By Liam Heinz

<http://www.studyladder.com.au/> Has great games that can vary in difficulty. Suitable for 3 to 6.

<http://www.coolmath-games.com/> Has heaps of cool games mainly for boys years 2-6.

<http://www.mathplayground.com/games.html> . K-9 varies depending on what level you want.

<http://www.mathsisfun.com/games/tanks.html> Using degrees to take out your opponent.

$$2+2=4$$

$$4+4=8$$

$$8+8=16$$

$$16+16=32$$
