

# Who The Bright Green Sparks are and what we do

The Bright Green Spark Leaders are Sean, Jaye, Deanne, Samuel, Michael, Ryleigh, Sarah, Joshua, Jackson, Zoe, Rebecca, Jay, Zac, Bailey, Ticara, Ashley and Aidan. But there wouldn't be any Bright Green Sparks without Mr Edwards who runs the whole program.

The Bright Green Sparks strive to save money for the school by planting vegetables for the canteen, selling worm juice at events and giving energy tips and water tips to students and teachers.

They also collect fruit scraps from the pink bins around the school and feed it to the worms. But not citrus as it is a hazard to the worms.
