

Book Reveiw- Three Wishes for Pugman

Three Wishes for Pugman

This story is about a dog named Pugman who has a hard time coping with life when he wakes up late. He wonders whether it's even worth getting up for just half a day. But his day will turn around when suddenly a fairy appears! She grants him 3 wishes. What do you think he'll wish for?

In my opinion, I think that it's a delightfully funny book, that will put a bit of sunshine in your day-any day. It turns a rainy day into a sunny day for anyone-even me!

I would recommend this book for year 4 and up. It will make you smile no matter what day it is!
