

### Waking Up!

As I woke up to my annoying alarm I slowly got out of bed, and got dressed into my shorts and T-shirt.

Ooooooh, sorry I forgot to introduce myself, my name is Hannah and I am 21. I am waking up so early, because I am going on a plane to see mum in Hawaii.

So, here I am boarding the plane trying to hide my tiredness. But as well I was hoping that there would be no delays on the plane I was boarding. Just when I thought I could relax, a big gust of wind blew my ticket out of my purse and it flew around the airport.

I ran out of line and chased the ticket. The ticket flew past the desk, and the ticket flew into a man's backpack. I called out to him but he couldn't hear me. So I ran over to him and said my ticket was in his backpack. He looked in his backpack and found my ticket.

I ran over and was just in time to board my plane. I sat in my seat and texted my mum. I texted her that I was on my way. When I came out of the plane mum was waiting for me, I gave her a big hug, then walked to her apartment block she was staying at. I wanted to go home, because I missed my friends and family. I told mum that and I went home a week later.

On the way home the plane had problems with the wings and we had to land fast. I went by train to our house and was happy to be home.
